My name is and I am 9 years old and I want to help change the law so children who don’t have dads like me can meet their donor so I know who I am . My mum has told me all about donors and I want to meet my donor and help other children do that to. I think that it is unfair that other children have dads because I have the exact same right to have a dad to and not just that I want to do more things than what I am doing now . I am not just speaking for myself I am fighting for my brother and sister who are 6 years old and only 2 years of age . Please just change the law so that children like me can finally meet their father just think how would you like it if you were in this situation . so ultimately please change the llllllllaaaaaaaaaaaawwwwwwwwwwwwwwwwwwwww!!!
