Introducer program – migration agents

Mr THISTLETHWAITE: Are the referrers required to disclose the relationship that they have with the bank when they refer someone to you?

Mr Elliott: Yes, and the fee.

Mr THISTLETHWAITE: And the fee?

Mr Elliott: Yes.

Mr THISTLETHWAITE: Are migration agents included in the group that you have a relationship with?

Mr Elliott: I'll have to check. I'll take that on notice. I'm not sure.

**ANSWER**

The ANZ Home Loan Introducer program includes a small number of migration agents. ANZ requires introducers who are migration agents to be registered by the Australian Migration Agents Authority.
