**Mr EVANS:** Can I just add to those questions on notice and ask you to take a very specific one on notice. I would like you to check whether a matter regarding a Brisbane constituent, Mr Antonio Lanza-Volpe, is in this case load of 200. I will put that on notice.

**Answer:** Mr Lanza-Volpe was not included in the 200 matters mentioned at the hearings. Since the hearing, we have contacted Mr Lanza-Volpe to discuss the issues he raised with Mr Evans.
