

## Introduction

### **Purpose of the report**

- 1.1 This report contains the Joint Standing Committee on Treaties' review of the following treaty action tabled on 10 February 2015:
  - Amendments to Appendices I and II to the *Convention on the Conservation of Migratory Species of Wild Animals* (Bonn, 23 June 1979) (Quito, 9 November 2014).
- 1.2 The Committee's resolution of appointment empowers it to inquire into any treaty to which Australia has become a signatory, on the treaty being tabled in Parliament.
- 1.3 The treaties, and matters arising from them, are evaluated to ensure that ratification is in the national interest, and that unintended or negative effects on Australians will not arise.
- 1.4 Prior to tabling, major treaty actions are subject to a National Interest Analysis (NIA), prepared by the Government. This document considers arguments for and against the treaty, outlines the treaty obligations and any regulatory or financial implications, and reports the results of consultations undertaken with State and Territory Governments, Federal and State and Territory agencies, and with industry or non-government organisations.
- 1.5 A Regulation Impact Statement (RIS) may accompany the NIA. The RIS provides an account of the regulatory impact of the treaty action where adoption of the treaty will involve a change in the regulatory environment for Australian business. An RIS was not required for the treaty under consideration in this report.

- 1.6 The Committee takes account of these documents in its examination of the treaty text, in addition to other evidence taken during the inquiry program.
- 1.7 A copy of the treaty and its associated documentation may be obtained from the Committee Secretariat or accessed through the Committee's website at:
