Source:

Number of Commonwealth facilities and residents based on DoH 6431 dataset as of April 2021

Estimated residential aged care workers based on 2016 Australian Census of Population and Housing, projected to 2021 figures

Vaccine doses based on VAS provider reports for RACF within Commonwealth remit as of 1 June 2021.

### Notes:

Vaccinated residential aged care workers includes direct care and other staff, and volunteers

Dose 1 and dose 2 vaccination numbers may not align due to VAS provider data reporting errors

The remaining 14 dose 1 sites are expected to be completed by 4 June other than 2 sites which have been moved to the week commencing 7 June due to illness at facility and where the facility has requested different timing.

\*These workers may have been vaccinated through another channel-reconciliation in progress
