CANBERRA ACT 2600

Dear Secretary

Australian Skills Quality Authority (ASQA) — Budget Estimates Hearing 5 June 2018

I write in relation to ASQA's appearance before the Education and Employment — Legislation Committee's Budget Estimates hearing on 5 June 2018.

I wish to correct a statement presented in evidence to the committee in response to a question from Senator Cameron (page 119 of Hansard refers) concerning regulatory decisions.

I stated at the hearing that ASQA had made 2,355 regulatory decisions (436 cancel; 240 suspend; 1,318 intention to cancel/suspend and 361 other administrative sanctions) for the period 2013-14 to 31 March 2018. The time period stated was incorrect; the correct time period over which these decisions were taken was 2011-12 to 31 March 2018.

It would be appreciated if you could draw this fact to the attention of the Committee. I apologise for any inconvenience caused by this inadvertent oversight.

If you require further information or assistance in relation to this matter, please contact Mr Aaron Campbell on (03) 8613 3947 or by email to: aaron.campbell@asqa.gov.au

Yours sincerely
