Dear ~~Beverley~~ <sup>Lyn</sup>

**HANSARD CORRECTION**

I write to correct evidence that I gave at the hearing for Supplementary Budget Estimates held on Wednesday 27 October 2021.

When referring to the usage of the KC-30A Government Transport Communication (GTC) aircraft I stated that:

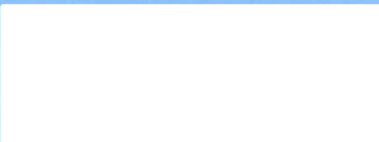

The GTC on “only five (occasions) have been used for special purpose functions”.

I wish to correct my evidence with the following information:

As at the date of questioning on the 27<sup>th</sup> October 2021 the GTC has in fact been used on seven occasions for special purpose functions of which five have been reported in the *Schedule of Special Purpose Aircraft Flights*. The other two occasions the Prime Minister has used the GTC will be published in the appropriate *Schedule of Special Purpose Aircraft Flights*.

I apologise for any misunderstanding that may have arisen.

Yours sincerely
