Dr Patrick Hodder
Committee Secretary
Senate Finance and Public Administration Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Dr Hodder

I am writing to provide clarification to evidence provided by me at the hearing of the Senate Finance and Public Administration Legislation Committee on 22 May 2023.

In response to a question from Senator McGrath, which appears on page 84 of the proof Hansard, I stated the department does not have any electric or hybrid vehicles as part of our fleet management plan. To clarify my answer, and noting the different definitions of 'hybrid' that are used, the department does not have any electric or plug-in hybrid electric vehicles, however we do have three non-plug-in hybrid vehicles.

Further information regarding the definitions of hybrid vehicles is available at <https://www.greenvehicleguide.gov.au>.

Yours sincerely

Hugh Cameron
