Senate Finance and Public Administration Legislation Committee  
Parliament House

Dear Mr Hodder

I am writing to provide a clarification to evidence I provided on behalf of the Indigenous Land and Sea Corporation (ILSC) at the Supplementary Budget Estimates hearing on 17 February 2023.

In response to Senator Thorpe's question regarding the ILSC's position on the threat of Buffel grass, I incorrectly stated that the ILSC does not have an official position in relation to gamba grass. I should have stated that the ILSC does not have an official position on Buffel grass or a lot of other introduced species.

Yours sincerely
