Clarification to Hansard – Additional Estimates 2023-24 hearing on 19 March 2024

Dear Committee Secretary

I write to provide clarification of evidence I gave to the Senate Standing Committee on Legal and Constitutional Affairs during the Additional Estimates 2023-24 spill-over hearing on 19 March 2023.

Evidence of Ms Angelene Falk, Australian Information Commissioner.

On page 5 of the transcript, in response to a question from Senator Paterson regarding whether any information has been collected from other websites identified as working in partnership with Tik Tok, I said:

Ms Falk: Not at this stage.

I wish to clarify that on 11 March 2024, the Office of the Australian Information Commissioner (OAIC) made written inquiries of an entity that voluntarily notified my Office of the use of TikTok pixel on its website. The entity provided a response to the inquiries on 18 March 2024.

Yours sincerely

Angelene Falk
Australian Information Commissioner
