Dear Secretariat,

Thank you for bringing to our attention the corrective marking on the hard copy correspondence provided to your office yesterday afternoon. Please see **attached** letter from AFP Commissioner Kershaw dated 6 May 2021, correcting the Hansard of the Senate Estimates (Spillover) Hearing before the Legal and Constitutional Affairs Committee on 14 April 2021. This version can be published/tabled.

I sincerely apologise for the delay in providing this correspondence to you – there was an administrative oversight on my part, and I thought the correspondence was already with the Committee.

Please let me know if you require any further information.

Regards [REDACTED]
