Dear Mr McNally

I wish to correct evidence I gave as a witness on Monday, 22 March 2021 when appearing for the Department of Infrastructure, Transport, Regional Development and Communications before the Rural and Regional Affairs and Transport Legislation Committee at the Budget Estimates Hearing.

In answering questions on the *Building Our Future* advertising campaign, I incorrectly noted that expenditure in 2018-19 was \$16.9 million. I also noted production had not yet commenced.

Overall expenditure for Phase 2 of the *Building Our Future* campaign was \$16.9 million, comprised of \$0.272 million in 2017-18 and \$16.588 million in 2018-19. Filming for the campaign commenced on 20 March 2021.

Yours sincerely

Ms Justine Potter
