Senator Glenn Sterle  
Chair  
Rural and Regional Affairs and Transport Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator Sterle,

I refer to the appearance of the Department of Infrastructure, Transport, Regional Development, Communications and the Arts for Corporate Matters before the Rural and Regional Affairs and Transport Legislation Committee at the Budget Supplementary Estimates 2023-24 Hearing on Monday 23 October 2023.

During the hearing, I responded to a question from Senator Canavan regarding the Annual Report (refer to page 28 of the Hansard). In responding, I advised that we had a surplus of \$3.1 million for 2022-23. This figure should have been \$3.8 million.

I would appreciate it if you could please note this for the information of the Committee.

Yours sincerely,

Maree Bridger  
Chief Operating Officer / Deputy Secretary  
Corporate Group  
Department of Infrastructure, Transport, Regional Development, Communications and the Arts
