CANBERRA ACT 2600

5 December 2023

Dear Senator Sterle

I refer to the appearance of the Department of Infrastructure, Transport, Regional Development, Communications and the Arts for Outcome 2 before the Rural and Regional Affairs and Transport Legislation Committee at the Budget Estimates Hearing on Monday, 23 October 2023.

During the hearing, I responded to questions from Senator McKenzie (refer to page 72 of the Hansard) regarding the Road Safety Program and supply of data. In relation to Victoria, I referred to partial data having been provided for pre and post-risk ratings for tranches 2 and 3. I should have instead referred to tranches 1 and 3.

I would appreciate it if you would please note this for the information of the Committee.

Yours sincerely

Melony Czajor
Acting Assistant Secretary

Road and Vehicle Safety Division
