

PJCCFS Regulation of Auditing Inquiry Hearing: Questions on Notice

KPMG Question on Notice No. 8

Question:

Senator O'NEILL: Thank you very much. Have you pitched for the CPS 220 work for either the NAB or Westpac?

Mr Yates: I don't know the answer to that. I'm sorry.

Senator O'NEILL: Can you take it on notice.

Mr Yates: We can take that question on notice, yes.

Response:

KPMG participated in the competitive tender process to provide CPS 220 services to NAB and Westpac and was not engaged to provide those services. KPMG does not audit either entity.
