Dear Committee

By way of further "correspondence" to assist the Committee re its interest in ISDS, please also note these two documents released this month:

- from the European Commission:  
[http://trade.ec.europa.eu/doclib/docs/2015/may/tradoc\\_153408.PDF](http://trade.ec.europa.eu/doclib/docs/2015/may/tradoc_153408.PDF)

- from the European Federation for International Investment and Arbitration:

Could you also please let me know the URL where I might access podcasts of evidence given in the public hearings?

Thanks and regards
