Department of Industry, Science and Resources
Inquiry into Treasury Laws Amendment (Electric Car Discount) Bill 2022 [Provisions]
25 August 2022

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, SCIENCE AND RESOURCES

TOPIC: QoN 3 - Consultation on design of the bill

REFERENCE: Question on Notice (Written, Senator Bragg)

QUESTION No.: 3

Did the Department of Industry consult on the design of the Bill?

ANSWER

Consultation on the Bill, as a taxation measure, is led by the Treasury. The Department of Industry, Science and Resources (the department) does not typically undertake additional specific analysis on tax measures.

While the department was not involved in the design of this Bill, we continue to work closely with the Department of Climate Change, Energy, the Environment and Water as lead department on the development of the Government's National Electric Vehicle Strategy.
