Date set by the committee for the return of answer: 14 March 2017

Question:

Mr FEENEY: How many APCs do we have in service now?

Major Gen. Coghlan: I will have to take that on notice because we have a range in storage and a range at disposal, so actually in service, and some in deep maintenance.

Answer:

There are 253 ASLAV in service. There are 431 M113AS4 APCs in service.
