

Changes / Corrections to

NTEU Submission

Senate Standing Committee on Education and Employment

Inquiry into

Fair Work (Registered Organisations) Amendment (Ensuring Integrity) Bill 2019 (Submission No. 12)

Page 3

First paragraph (immediately prior to section title Provisions of the Bill.

Add the following words after trigger - ***potential offences in the Bill.***

Page 4

Section headed - **Automatic disqualification**

Change second sentence as follows:

As well as conduct directly related to their duties as a union officer, the Bill would allow a court to disqualify a union officer for conduct entirely unrelated to their union role. ~~**such as being caught twice driving while their licence is disqualified.**~~

Page 4

Section headed – **Disqualification by court order**

Change last sentence of second paragraph as follows:

The fit and proper person test can take into account a variety of factors including technical breaches such as an official not giving the correct notice when inspecting a dangerous worksite or investigating underpayment of workers **as well as other offences such as being caught twice driving while their licence is disqualified.**

Page 8

Section headed - **Mergers / Amalgamations**

Change 2nd Sentence of 5th paragraph by inserting “not” before consider as follows:

They do **not** consider a company or its director’s legal compliance
