

2015/16 Rural Generalist Pathway Data Summary

Overall data

The RGP currently supports in excess of 200 medical officers across Queensland.

A total of 59 Fellows have completed their training with the program since its inception in 2007.

2015 Rural Generalist Trainee Data Summary

PGY	QHRSS	QHBMS	RG	TOTAL
1	24	0	26	50
2	29	3	13	45
3	25	1	9	35
4	21	1	11	33
5	10	2	10	22
6+	21	1	13	35
				220

QHRSS: Queensland Health Rural Scholarship Scheme

QHBMS: Queensland Health Bonded Medical Scholarship

RG: Rural Generalist trainee (no bond obligations)

Intern Position Summary

In 2016, Rural Generalist Intern training positions will increase by more than double in comparison to the cohort of 2013. These increases align with the rising interest from medical students wishing to pursue Rural Generalist Medicine and Hospital and Health Service rural workforce strategies.

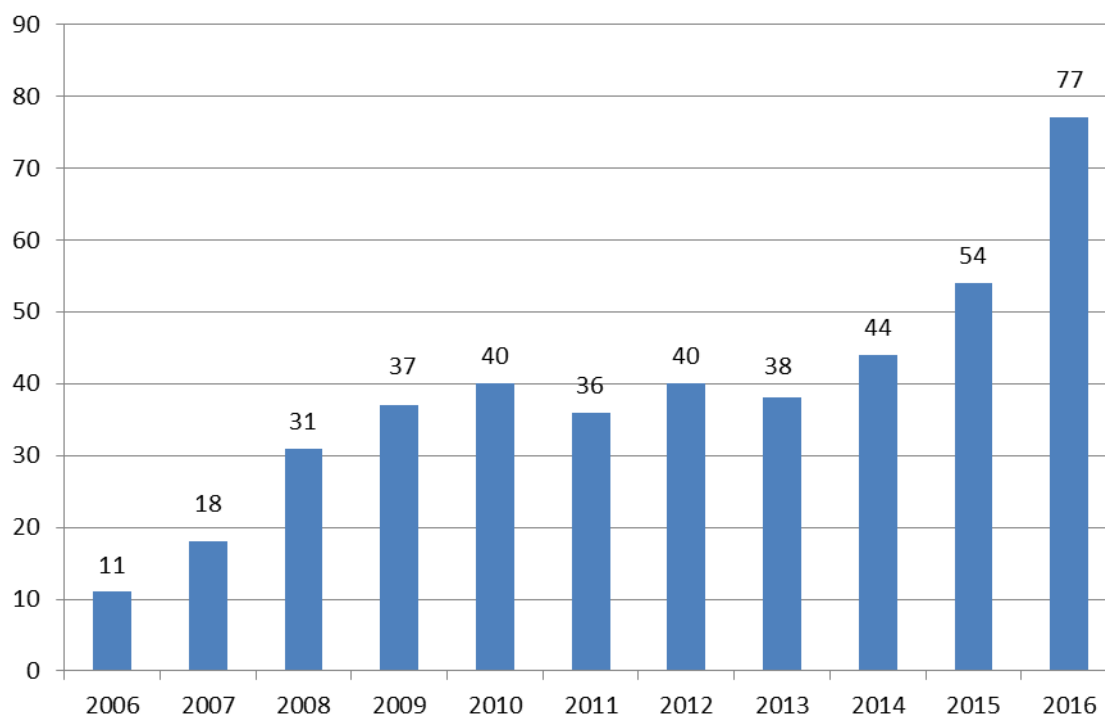

2013	
Location	Positions

Nambour	1	1	
Redland	1	1	
Rockhampton	1	1	
Toowoomba		1	1
Townsville	2	1	
TOTAL	12	17	3

In 2015: 9 trainees were placed in Emergency Medicine, 9 in Paediatrics, 1 in Mental Health and 3 in Internal Medicine.

Advanced Skills by Discipline

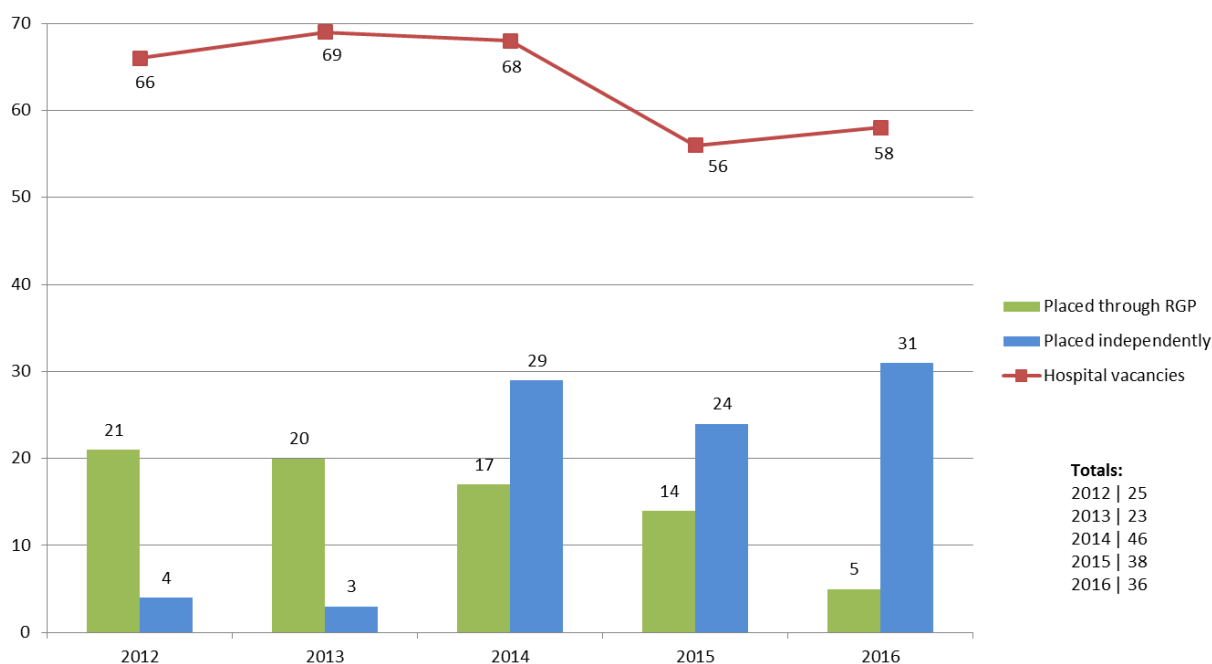

The chart below shows the breakdown of advanced skills completed or currently being undertaken by Rural Generalist Trainees.

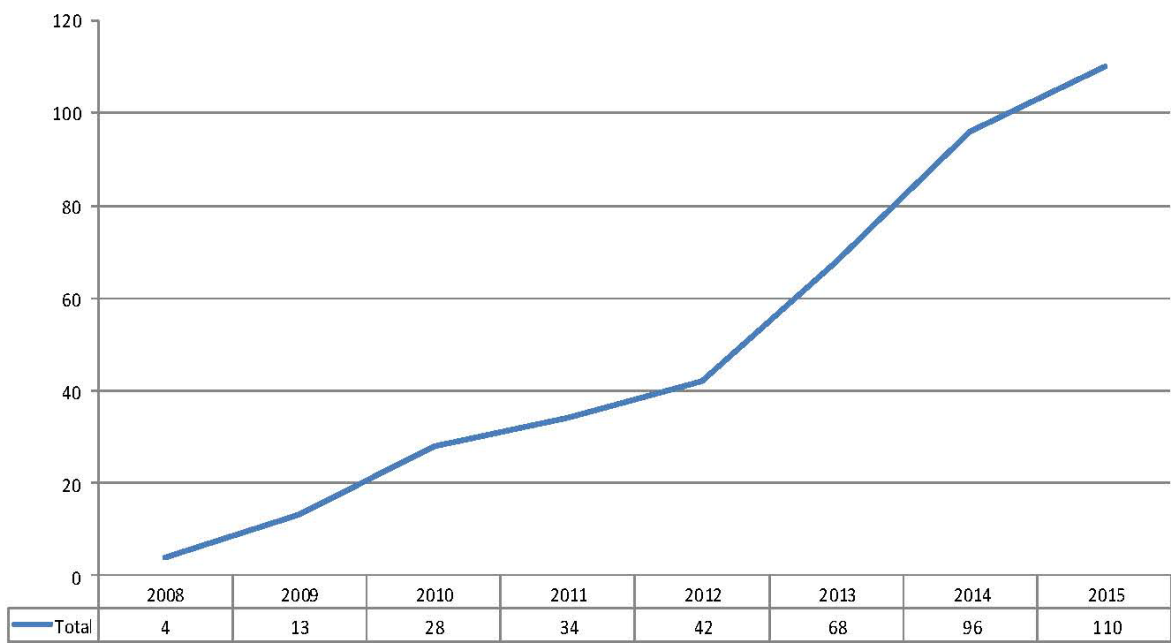

Rural Vocational Placement

The RGP coordinates a centralised recruitment process annually whereby Hospital and Health Service vacancies are collated and presented to Rural Generalist Trainees for selection. As the graph below illustrates, trainees are increasingly seeking a position independent of the centralised process.

Vocational applicants placed vs rural vacancies

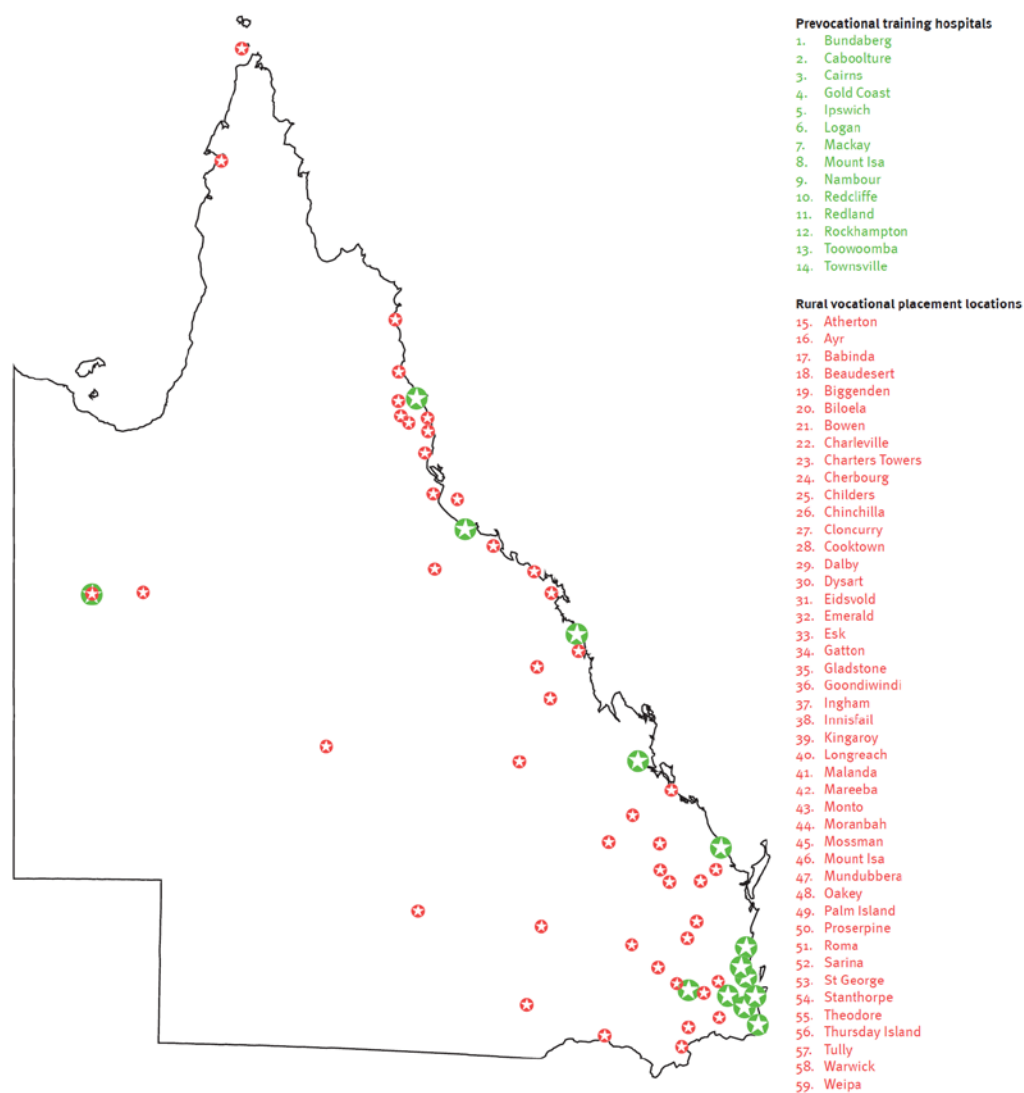

Trainees / Fellows working rurally

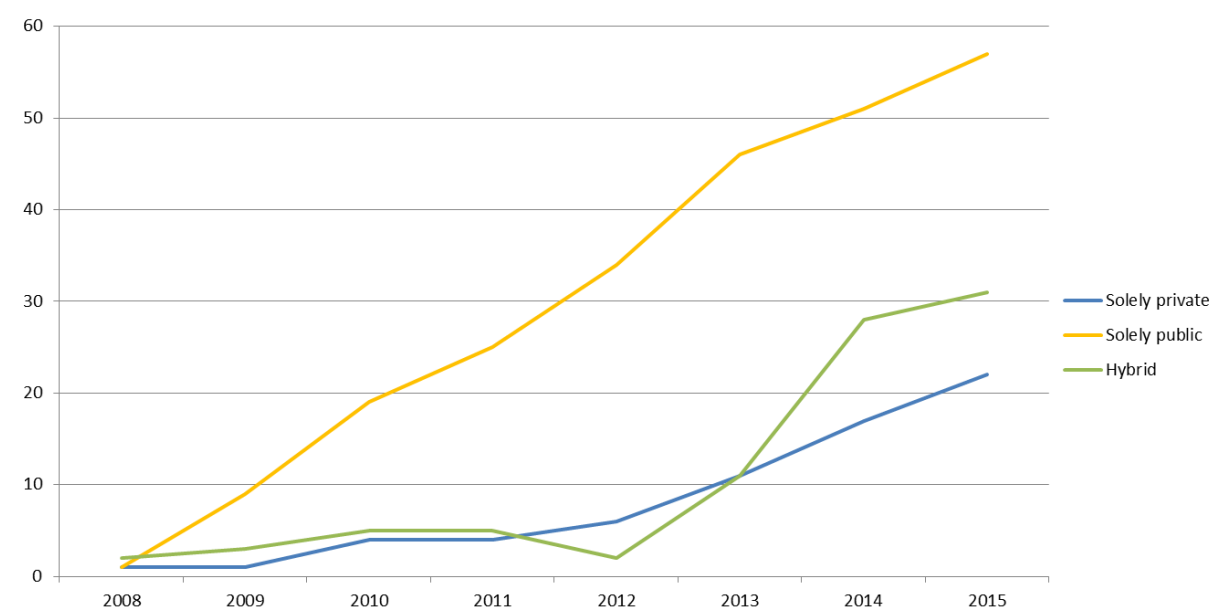

Represents RMOs, Provisional Fellows, MS and MORPP and Fellows

Rural Generalist training position locations

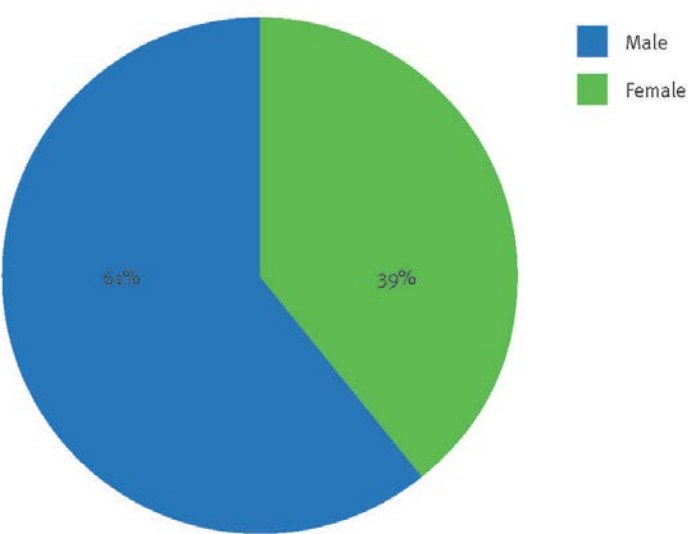

Trainees / Fellows working in rural public vs private practice
