No. 81

TUESDAY, 18 MARCH 2003

1 The House met, at 2 p.m., pursuant to adjournment. The Speaker (the Honourable Neil Andrew) took the Chair, and read Prayers.

2 SUSPENSION OF STANDING AND SESSIONAL ORDERS—ROUTINE OF BUSINESS FOR THIS SITTING

Mr Abbott (Leader of the House), by leave, moved—That so much of the standing and sessional orders be suspended as would prevent the routine of business for this sitting being as follows, unless otherwise ordered:

1. A motion to be moved by the Prime Minister relating to Iraq, and debate ensuing with speech time limits being as follows:
 - Prime Minister—Not specified;
 - Leader of the Opposition—A period of time equal to that taken by the Prime Minister;
 - Next 6 Members speaking—20 minutes each; and
 - Other Members—10 minutes each.
 2. Orders of the day, government business.

3 IRAQ—COMMITMENT TO COALITION IN THE GULF

Mr Howard (Prime Minister) moved—That this House:

1. condemns Iraq's refusal, over more than 12 years, to abide by 17 resolutions of the United National Security Council regarding the threat it poses to international peace and security;
2. recognises:
 - (a) that Iraq's continued possession and pursuit of weapons of mass destruction, in defiance of its mandatory obligations under numerous resolutions of the United Nations Security Council, represents a real and unacceptable threat to international peace and security;
 - (b) that Iraq's behaviour weakens the global prohibitions on the spread of weapons of mass-destruction, with the potential to damage Australia's security; and
 - (c) that, as more rogue states acquire them, the risk of weapons of mass destruction falling into the hands of terrorists multiplies, thereby presenting a real and direct threat to the security of Australia and the entire international community;
3. abhors:
 - (a) Iraq's continued support for international terrorism; and
 - (b) the institutionalised widespread and grave abuse of the human rights of the Iraqi people over many years;
4. notes that United Nations Security Council resolutions adopted under Chapter VII of the United Nations charter, in particular resolutions 678, 687 and 1441, provide clear authority for the use of force against Iraq for the purposes of disarming Iraq of weapons of mass destruction and restoring international peace and security to the region;
5. endorses the Government's decision to commit Australian Defence Force elements in the region to the international coalition of military forces prepared to enforce Iraq's compliance with its

international obligations under successive resolutions of the United Nations Security Council, with a view to restoring international peace and security in the Middle East region;

6. expresses its unequivocal support for the Australian service men and women, and other personnel serving with the international coalition, our full confidence in them and the hope that all will return safely to their homes;
7. extends to the innocent people of Iraq its support and sympathy during the military action to disarm Iraq of its weapons of mass destruction and the reconstruction period that will follow; and
8. notes that the Government is committed to helping the Iraqi people, including through humanitarian assistance, to build a new Iraq at peace with itself and its neighbours.

MAIN COMMITTEE

MINUTES OF PROCEEDINGS

TUESDAY, 18 MARCH 2003

2 POSTPONEMENT OF ORDER OF THE DAY

Ordered—That order of the day No. 1, Government business, be postponed until the next sitting.

3 APPROPRIATION BILL (NO. 3) 2002-2003

The order of the day having been read for the resumption of the debate on the question—That the Bill be now read a second time—*And on the amendment moved thereto by Mr McMullan, viz.*—That all words after “That” be omitted with a view to substituting the following words: “whilst not declining to give the Bill a second reading, the House condemns the Government for its failures in economic management, and in particular its failings in relation to both income and expenditure policies because:

- (1) it is the highest taxing Government in Australian history, and:
 - (a) has imposed the highest level ever of income tax;
 - (b) is responsible for introducing the biggest new tax in our history; and
 - (c) is addicted to imposing ever more taxes and special levies;
- (2) it has failed to deliver on its basic responsibilities to the Australian people, for example:
 - (a) bulk billing has collapsed;
 - (b) there is chronic under-investment in our public schools, TAFE colleges and universities;
 - (c) the struggle to balance work and family life continues to get harder; and
 - (d) entry level housing is becoming even less affordable for struggling Australian families; and
- (3) despite the record tax take, and in spite of declining Government services, the Government has failed to keep the Budget in surplus after nearly a decade of strong economic growth, in that:
 - (a) it broke its unequivocal promise to keep the Budget in surplus in 2001-02;
 - (b) future surpluses are dependent on the additional revenue provided by bracket creep;
 - (c) it has presided over enormous waste and mismanagement including billions of dollars of foreign exchange losses and defence procurement losses; and
 - (d) it has lost control over expenditure necessitating wholesale changes to the budgetary management system”—
