CHRONOLOGICAL LIST OF MINISTRIES

The following list shows each Ministry and its term of office since 1901. The termination date of each Ministry coincides with the date on which the Prime Minister submitted their resignation and that of each of their Ministers to the Governor-General. In a number of instances, however, such resignations have been the occasion for the Prime Minister of the day to request the Governor-General for a commission to form a new Ministry and thus remain in office. W. M. Hughes was the first Australian Prime Minister to follow this procedure, which he did on three separate occasions between 1915 and 1923.
