On the first sitting day of each fortnight, a complete Notice Paper is published containing all unanswered questions. On subsequent days, only new questions for the sitting are included in the Notice Paper.

*28 October 2025*

78 **DR HAINES:** To ask the Minister for Communications—In respect of the Minister’s statement that she requested that implementation of Temporary Disaster Roaming (TDR) be expedited in response to recent telecommunications outages (House *Hansard* [proof], 7 October 2025, page 30):

- (1) Has the simulation and stress testing foreshadowed by the Minister now occurred; if so, what were the outcomes of the simulation of TDR.
- (2) What are the remaining obstacles to the timely implementation of TDR.
- (3) What are the remaining industry concerns about the feasibility of implementing TDR in Australia.
- (4) How will these industry concerns be overcome.
- (5) What are the next steps to implement TDR in Australia.
- (6) Has the Government provided a timeline to telecommunications providers in relation to the deployment of TDR in Australia.
- (7) What is the Government’s preferred timeline for the deployment of TDR in Australia.

83 **MR HAMILTON:** To ask the Treasurer—

- (1) Is the Treasurer aware that Australian Bureau of Statistics’ data notes that there is a total job vacancy of approximately 327,200 across the Australian economy, and that the Australian Council of Social Services’ data has found that 190,000 Australians have been receiving unemployment payments for more than five years.
- (2) What is the Government doing to address systemic, long-term unemployment.
- (3) Noting labour shortages as arguments for immigration, what is the Government doing to ensure that 190,000 Australians on long-term unemployed benefits can transition to work.
- (4) How many long-term unemployed people have transitioned from welfare to work since 2022.

*29 October 2025*

85 **MR HAMILTON:** To ask the Minister for Climate Change and Energy—In respect of the Australian Renewable Energy Agency grant of \$17.2 million which was reportedly provided to Mars Petcare in Wodonga:

- (1) What is the public benefit of this project.

- (2) What is the national benefit of this significant funding being provided to a private entity.
- (3) Was the applicant required to co-fund this project.

86 **MR HAMILTON:** To ask the Treasurer—

- (1) What is the cost of the Government’s 2035 emissions reduction targets.
- (2) Has the Department of the Treasury modelled the cost of the 2035 emissions reductions targets.
- (3) What is the direct cost to the budget of the 2035 emissions reductions targets.
- (4) Has the Department of the Treasury modelled the whole of economy cost of the 2035 emissions reductions targets; if so, what is that cost.

*30 October 2025*

109 **MR HAMILTON:** To ask the Treasurer—

- (1) Does the Treasurer accept responsibility for inflation recording its highest quarterly rise since March 2023 in the latest quarterly data figures.
- (2) Does the Government accept the Australian Bureau of Statistics’ assessment that the largest contributor to higher quarterly inflation is higher electricity costs.

*24 November 2025*

128 **MR HAMILTON:** To ask the Minister for Housing—

- (1) What is the average median house price in Australia since the Government came to office.
- (2) What is the average price increase for a home in Australia in 2025 compared to in 2022.
- (3) What is the average median rental price for a house in Australia since the Government came to office.
