**Question:**

What information/data regarding CVC does NBN Co supply to the ACCC?

- a. Under what record keeping power is this information collected?
- b. How often is this information collected?

**Answer:**

NBN Co is required to provide:

- The name of each access seeker being provided with CVC services at each POI;
- The contracted CVC capacity for each access seeker at the POI;
- The average utilisation in Mbps for contracted CVC capacity at the POI, including average utilisation during peak periods;
- If NBN Co supplies an access seeker with multiple CVCs at a given POI, NBN Co is required to provide a separate record for each CVC.

(a) This information is collected under the NBN SIOs RKR.

(b) This information is collected for each quarter and provided to the ACCC 28 days after the end of the quarterly reporting period.
