

Strong banks – strong Australia

House of Representatives Standing Committee on Economics

Review of the four major banks (second report)

Australian Bankers' Association

ABA02QON: 59

Mr CRAIG KELLY: Of all the members of the Bankers' Association, what would the combined market share be of lending to housing in Australia?

Mr Münchenberg: I can give you a precise number on notice, but I guess it would be in the high 80s and low 90s.

Answer: As at end of January 2017, the relevant statistics sourced from the RBA and APRA were:

Housing loans outstanding in Australia on the books of ABA members	\$1.49 trillion
Housing loans outstanding in Australia on the books of all AFIs	\$1.64 trillion
Share of ABA members	91 per cent
