Question

Dr LEIGH: You came to this position following the resignation of Mr Shipton. Following his stepping aside, an inquiry was conducted by Vivienne Thom. How many versions of that report were done? I know there's a redacted one in the public arena. How many others are there?

Mr Longo: I would have to take that on notice. I was obviously not involved in any aspect of that inquiry. All I know is what's in the public arena, and there was a redacted one published at the end of January. I would have to take on notice as to what other versions there might be.

Answer

The Thom Report is a report prepared for The Treasury. Any questions about versions of the document are best asked of the owner of the document, being The Treasury.
