

**HOUSE OF REPRESENTATIVES STANDING COMMITTEE ON ECONOMICS  
REVIEW OF THE FOUR MAJOR BANKS AND OTHER FINANCIAL INSTITUTIONS**

**CBA107QW**

On what geographic basis (ie suburb, local government area, other geographic area) do you report data to APRA on debt-to-income ratios?

**Answer:**

Commonwealth Bank is not currently required to report debt-to-income ratios to APRA on a geographic basis. APRA is however in consultation with the industry on a new data collection which may in the future collect debt-to-income information on a geographical basis.
