

**AS14QON:**

Does the fund offer insurance reinstatement on the same terms, if requested by the customer, within 60 days of having their coverage cancelled?

**Answer:**

The Fund is compliant with Protecting your Super Legislation and provides members with the ability to prevent cover from ceasing.

In becoming compliant with the insurance in super code, the Fund will in the future allow insurance cover to reinstate, if requested by the member, within 60 days of having their coverage cancelled.
