ML10QW: Details of arrangement for the temporary or permanent use for corporate venue hire (including corporate boxes), including additional non-hire costs such as catering, at sporting venues over the past five years.

ANSWER:

In March 2015 at the Hobart International box hire was undertaken including use of a corporate bar, catering picnic packs and corporate café with total value of \$1,280.50. This is the only instance of temporary or permanent corporate venue hire (including corporate boxes) in the last five years.
