SS10QW: Details of arrangements for the temporary or permanent use for corporate venue hire (including corporate boxes), including additional non-hire costs such as catering, at sporting venues over the past five years.

Answer:

Sunsuper does not hire corporate boxes or otherwise hire venues to watch sporting events.

Sunsuper has hired sporting venues (along with other venues such as RSLs and hotels) for the delivery of member, employer and adviser briefing events, the objective of which is to provide Fund, industry and regulatory updates to stakeholders.

We confirm that venue hire in each instance has been for function room hire (not a corporate box or similar) and has not included attendance at any sporting event.

All venue hire and associated expenditure (including light catering and audio visual costs) for Sunsuper events held at sporting venues over the past five years to 30 June 2019 are listed below.
