In the months of March, April and May 2020—how many overdrafts or similar short term credit arrangements (other than those initiated through the Coronavirus SME Guarantee Scheme) has your organisation set up with each of the following overlapping populations:

- (a) charities and not-for-profit entities;
- (b) ACNC registered charities; and
- (c) SMEs.

**Answer:**

In the months of March, April and May 2020, Queensland Country Bank did not provide any overdrafts or similar short term credit arrangements to any charities or not for profit entities or ACNC registered charities. During the same period, Queensland Country Bank provided two overdraft facilities to SMEs which were issued outside of the Coronavirus SME Guarantee Scheme.
