

**THE SPEAKER'S SCHEDULE OF
OUTSTANDING GOVERNMENT RESPONSES
TO REPORTS OF HOUSE OF REPRESENTATIVES AND
JOINT COMMITTEES**

(also incorporating reports tabled and details of Government responses made in the
period between
25 November 2009, the date of the last schedule, and 23 June 2010)

24 June 2010

THE SPEAKER'S SCHEDULE OF OUTSTANDING GOVERNMENT RESPONSES TO COMMITTEE REPORTS

The attached schedule lists committee reports tabled and government responses to House and joint committee reports made since the last schedule was presented on 26 November 2009. It also lists reports for which the House has not received a government response. Schedules of outstanding responses will continue to be presented at approximately six monthly intervals, generally in the last sitting weeks of the winter and spring sittings.

The schedule does not include advisory reports on bills introduced into the House of Representatives unless the reports make recommendations which are wider than the provisions of the bills and which could be the subject of a government response. The Government's response to these reports is apparent in the resumption of consideration of the relevant legislation by the House. Also not included are reports from the Parliamentary Standing Committee on Public Works, the House of Representatives Committee of Privileges and Members' Interests, and the Publications Committee (other than reports on inquiries). Government responses to reports of the Public Works Committee are normally reflected in motions for the approval of works after the relevant report has been presented and considered. Reports from other committees which do not include recommendations are only included when first tabled.

Reports of the Joint Committee of Public Accounts and Audit primarily make administrative recommendations but may make policy recommendations. A government response is required in respect of such policy recommendations made by the committee. However, responses to administrative recommendations are made in the form of an Executive Minute provided to, and subsequently tabled by, the committee. Agencies responding to administrative recommendations are required to provide an Executive Minute within 6 months of tabling a report. The committee monitors the provision of such responses. Reports which do not contain policy recommendations are only included when first tabled.
