

**THE SPEAKER'S SCHEDULE OF
OUTSTANDING GOVERNMENT RESPONSES
TO REPORTS OF HOUSE OF REPRESENTATIVES AND
JOINT COMMITTEES**

(also incorporating reports tabled and details of Government responses
made in the period between
25 June 2015, the date of the last schedule, and 2 December 2015)

3 December 2015

THE SPEAKER'S SCHEDULE OF OUTSTANDING GOVERNMENT RESPONSES TO COMMITTEE REPORTS

The attached schedule lists committee reports tabled and government responses to House and joint committee reports made since the last schedule was presented on 25 June 2015. It also lists reports for which the House has not received a government response. Schedules of outstanding responses will continue to be presented at approximately six monthly intervals, generally in the last sitting weeks of the winter and spring sittings.

The schedule does not include advisory reports on bills introduced into the House of Representatives unless the reports make recommendations which are wider than the provisions of the bills and which could be the subject of a government response. The Government's response to these reports is apparent in the resumption of consideration of the relevant legislation by the House. Also not included are reports from the Parliamentary Standing Committee on Public Works, the House of Representatives Committee of Privileges and Members' Interests, and the Publications Committee (other than reports on inquiries). Reports from the Parliamentary Joint Committee on Human Rights are only listed where the committee has examined and reported on a specific item(s) of existing legislation. Not listed are that committee's regular reports on the human rights compatibility of bills and legislative instruments that come before either House of Parliament.

Government responses to reports of the Public Works Committee are usually reflected in motions for the approval of works after the relevant report has been presented and considered. Reports from other committees which do not include recommendations are only included when first tabled.

Reports of the Joint Committee of Public Accounts and Audit primarily make administrative recommendations but may make policy recommendations. A government response is required in respect of such policy recommendations made by the committee. Responses to administrative recommendations are made in the form of an Executive Minute provided to, and subsequently tabled by, the committee. Agencies responding to administrative recommendations are required to provide an Executive Minute within six months of the tabling of a report.

In the case of joint committees, the date shown is the date of first presentation to either the House or the Senate or to the President or Speaker (if presented earlier out of session). Reports published when the House (or Houses) are not sitting are tabled at a later date.

The Government advised that the 37 recommendations required detailed consideration and analysis, and that as an interim response to the report, and to progress the priority measures, the Government intended to introduce legislation in the 2012 Autumn sittings. Since December 2014 the Government has advised that given the passage of time and the change of government, the Government does not intend to respond to the report.
