

**Joint Committee of Public Accounts and Audit
Report 500: Inquiry into procurement at Services Australia and the NDIA – Interim
report**

Corrigendum

Paragraph 1.32 of the committee's interim report stated that Infosys 'paid significant funds to Synergy 360, including approximately \$16 million in success fees'.

By way of clarification, Infosys' evidence was that approximately \$16 million of fees was paid to Synergy 360, which included around 15 per cent or \$2.4 million in success fees.
