Dear Secretary

I write to you to clarify, and apologise, to the Committee two speaking errors which were made on my behalf during our giving of evidence on 20 November 2023.

Firstly, a number of explicit references were made to a 'strategic procurement framework'. These were in fact intended to be references to the APS Strategic *Commissioning* Framework.¹

Secondly, several times I mistakenly referred to the Hon Keith Pitt MP as 'Senator Pitt'. I would like to retract those comments and correct the record.

Warmest regards,

Max Douglass, on behalf of the McKell Institute
