Dear Committee Secretary

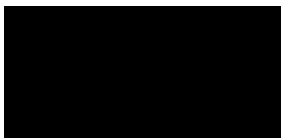

**Correction to evidence**

In my evidence to the Committee on 5 March 2024, I stated that I had not met with Mr Sayers when he was the CEO of PwC Australia. I have since recalled I met Mr Sayers on one occasion in late 2017 at PwC Sydney Offices, when CA ANZ's former CEO was connecting in and introducing himself to PwC Australia as the incoming CEO. As I recall this was a relationship meeting.

In my evidence I also stated that I accompanied my CEO to a meeting early in 2022 with Mr Seymour. In fact, the meeting was early in 2023. I apologise for the misstatement.

I do not have any notes from these meetings as they were relationship building in nature. Other than that, I saw both over the years (but did not speak to them) at post budget breakfast updates in Brisbane or Canberra budget night events with many hundreds of other attendees.

Yours sincerely
