List of recommendations

2 AIR 6000 Phase 2A/B New Air Combat Capability Facilities Project

Recommendation 1

The Committee recommends that Defence continues to consult with local communities and interested parties, where possible, to implement measures to mitigate noise impacts.

Recommendation 2

The Committee recommends that Defence continues to work with Hunter Water Corporation to ensure water quality is not compromised throughout and beyond the project.

Recommendation 3

The Committee recommends that Defence undertakes the appropriate traffic studies and provides them to the Committee, and that construction traffic is suitably managed.

Recommendation 4

The Committee recommends that the House of Representatives resolve, pursuant to Section 18(7) of the *Public Works Committee Act 1969*, that it is expedient to carry out the following proposed work: AIR 6000 Phase 2A/B New Air Combat Capability Facilities Project.
