Overview

This response is based on updated information provided by the Department of Education, Skills and Employment, the Department of Health, the Department of Infrastructure, Transport, Regional Development and Communications, and the Department of Veterans' Affairs.

The costs of all 16 projects, which were announced in the 2019 election, are included in the budget baseline as at the 2019-20 Mid-Year Economic and Fiscal Outlook (MYEFO).

The following information is set out in Table A1 at [Attachment A](#) for each project in this request:

- the project title
- the total estimated funding contained in the 2019-20 MYEFO baseline for each project over the 2019-20 Budget forward estimates period and to 2029-30
- the funding program source or budget measure
- the administering department.

Table A2 at [Attachment A](#) provides the administered funding profile each year from 2019-20 to 2029-30 for nine projects that have confirmed arrangements in place. For the remaining seven projects, information on the financial impact in each fiscal year, and implementation and termination dates for funding are not currently available as contractual arrangements for projects are yet to be determined.

Funding amounts have been rounded to the nearest \$100,000.

Data sources

The Department of Education, Skills and Employment provided information on the Regional study hub project.
