Statement by the Parliamentary Budget Officer

Consistent with the requirements of the *Parliamentary Service Act 1999*, I declare that, to the fullest extent possible, the information in the post-election report of election commitments for the 2013 general election for which I am responsible:

- i. uses the Pre-Election Economic and Fiscal Outlook 2013 report as the baseline for the costings of election commitments included in this report;
- ii. incorporates costings of all the election commitments of each designated Parliamentary party that, in my best professional judgement, would have a material impact on the Commonwealth budget estimates for the current financial year and the following three financial years; and
- iii. shows for each designated Parliamentary party, the total combined impact those election commitments would have on the Commonwealth budget estimates for the current and the following three financial years.

Phil Bowen PSM FCPA
Parliamentary Budget Officer
