

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF  
THE HOUSE OF REPRESENTATIVES**

This petition of legalizing same sex marriage draws to the attention of the House: Same sex marriage should be legalized since we the people of Australia believe that it is the right of every man and women, regardless of their sexual preference, to have the same marital rights. We therefore ask the House to support the petition by bringing attention to the issue to legalize same sex marriage in Victoria and approve the bill.
