Senator the Hon N. H. Minchin
Leader of the Opposition in the Senate
Parliament House
Canberra ACT 2600

Dear Senator

Re: **Offer of Subscription Television for Electorate Offices**

ASTRA is the industry body of Subscription Television in Australia and as such would like to offer you a base level subscription television service at your electorate office on a **complimentary** basis.

As you may be aware, SKY News Service which is one of the major channels on subscription television has an extensive coverage of Federal Parliament and Federal political events. Likewise, the basic service includes CNN, BBC, Bloomberg and the Weather Channel, all of which on occasion may be relevant to you.

Given the access you currently have to some of our channels in your office at Parliament House, we consider it reasonable to ensure that you also have the opportunity to access our service in your electoral office. Depending on your office location, this service will be provided by either AUSTAR or FOXTEL.

ASTRA's Chairman, Mr Nick Greiner has previously written to the Speaker who indicated that the appropriate approach would be for us simply to make the offer directly to each Member and Senator who would make their own decision and be mindful of the need to disclose acceptance of the offer on the Pecuniary Interests Register. In this regard while the precise retail value varies from place to place and time to time the subscription costs for the base level, which would include one-off installation is in range of \$50 to \$60 per month.

If you are interested in accepting the offer, please respond to me by email and we will contact you to make the necessary arrangements or answer any queries.

Yours sincerely
