## Submission to the Senate Select Committee on School Funding

I am a teacher/assistant principal/parent and active member of my local school Mulyan Public School. It is a rural school with an Aboriginal population of 20%.

As an Aboriginal parent and teacher the Gonski funds ensure funds are used to reach children and cater for their individual needs. More funds are used for professional development to ensure teachers are highly skilled to reach our school goals of literacy and numeracy outcomes.

Submitted by Beatrice Murray, Teacher and Parent regarding Mulyan Public School
