

Ms Apolline Kohen  
Committee Secretary  
Community Affairs Legislation Committee  
Parliament House  
CANBERRA ACT 2600

3 June 2021

Dear Ms Kohen

I am writing to correct evidence I provided to the Committee during the Budget Estimates hearing on Wednesday 2 June 2021.

During the hearing, Senator Chandler asked me if I had corresponded with the organisation Save Women's Sport Australasia to which I responded, "not to my knowledge".

That response was made to the best of my recollection, however, having checked my records of correspondence I wish to inform the Committee that Save Women's Sport Australasia have corresponded with me. I received correspondence from Save Women's Sport Australasia on 18 January 2021 and responded to them on 11 February 2021.

Yours sincerely
