Dear Minister,

I am writing in relation to the appearance of the Department of Social Services at budget estimates today.

On 3 June 2021, during the main budget estimates round, you tabled a document entitled "Overview of Women's safety measures – Budget 2021-22".

Can you please ensure department officials are in a position to table a similar document in relation to the women's safety measures in the 2022/23 budget.

This document should include:

- a breakdown of each component of each relevant measure;
- an indication of which department is being provided funds; and
- the profiling of the funds over the forwards.

Yours sincerely,

**Senator Jenny McAllister**  
**Shadow Cabinet Secretary**  
**Shadow Assistant Minister to the Labor Leader in the Senate**  
**Shadow Assistant Minister for Communities and the Prevention of Family Violence**
