Definitions and notes on tables

- a. 'Handled calls' are calls that have reached the Agency and include:
 - Centrelink successful IVR calls
 - Payments and Integrity successful IVR calls
 - Health Customer answered calls, calls handled in Health Customer IVR applications (Child Dental Benefits Scheme, Office Locator and from 10 July 2017 Tax Statement)
 - Health Provider answered calls, calls handled in the Health Provider IVR application (Optometric and Concessional Entitlement Status Confirmation)
 - Health PBS Answered calls
 - Child Support Answered calls
- b. 'Answered calls' are calls answered by a Service Officer.
- c. 'Terminated by customer' calls are calls that have progressed through the IVR, entered a queue waiting to be answered and the call is ended, (hung up), before it is answered by a Service Officer. 'Terminated by customer calls' were formerly known as 'Abandoned calls'.
- d. 'Average Speed of Answer' (ASA) is the average time it takes for a call waiting in the queue to be answered. The speed of answer is measured from when a call leaves the IVR menu (i.e. joins the queue to be answered) to when it is answered by a Service Officer.
- e. 'Congestion Messaging' is activated in periods of high demand and provide an alternative service option for customers when their call cannot be answered. The message encourages callers to conduct their business through self-service options rather than repeatedly calling.

 Congestion Messaging is not used on Child Support lines.
- * Congestion Messaging is influenced by a number of factors, including annual peaks in demand such as Students and Families peak periods, and policy changes made throughout the year. In 2022-23, there has also been an influx of emergency payment demand as the Agency supports people impacted by numerous weather related events and the sustained demand for COVID-19 payments.
- f. 'Disabilities, Sickness and Carers' includes calls associated with Carer Allowance, Carer Payment, Disability Support Pension and Mobility Allowance.
- g. 'Employment Services' includes calls associated with JobSeeker Payment, Special Benefit, Assurance of Support, Crisis Payment and Employment Services Providers.
- h. 'Families and Parenting' includes calls associated with Child Care Subsidy, Dad and Partner Pay, Double Orphan Pension, Family Tax Benefit, Parental Leave Pay and Parenting Payment.
- i. 'Older Australians' includes calls associated with Age Pension, Commonwealth Seniors Health Card Bereavement assistance, Pensioner Concession Card and the Pension Loans Scheme.
- j. 'Youth and Students' includes calls associated with Austudy, Low Income Health Care Card, Pensioner Education Supplement and Youth Allowance.
- k. 'Other' includes several telephone lines including Australian Victim of Terrorism Overseas Payment, Income Management (including Basics Card), myGov, Emergency response, NDIA (National Disability Insurance Agency), APIS (Australian Passport Information Service), International Services and Multilingual services and Payments and Integrity.
- The 'Participation', Emergency Management', 'Income Management', 'BasicsCard enquiry', 'BasicsCard balance enquiry' and 'Balance enquiry' lines are subsets of the 'Other' total.
- I. 'Participation' includes calls are associated with activity tested recipients who may not have met obligations. Primarily recipients are required to actively participate in approved activities. This line differs from the Employment Services line as its purpose is for compliance discussions with recipients.
- m. Income Management and BasicsCard share the same 1800 phone number which is why handled calls are counted for both call types. Calls can only be separated once the customer has made a selection in the IVR.
