

Provider Exits

- From the period 28 June 2024 (the date of the release of the 2023-24 Annual Pricing Review) to 5 November 2024, the NDIA received notification of 59 committed exits of registered NDIS providers:
 - 30 full exits (where the provider fully exits provision of NDIS supports), and
 - 23 partial exits (where the provider exits the provision of one or more support types but remains providing other support).
- This compares to a total of 128 notifications received in 2023-24:
 - 78 full exits
 - 50 partial exits
