Senator Andrew Bragg  
Chair  
Environment and Communications Legislation Committee  
Parliament House  
CANBERRA ACT 2600

22 June 2022

Dear Chair

I wish to correct a minor error of fact in my evidence to the Environment and Communications Legislation Committee during the 2022–23 Budget Estimates hearing on Thursday, 31 March 2022.

The rate of indexation for the ABC is Wage Cost Index (WCI) 6, not (WCI) 16. Refer pages 91 and 95 of the proof committee hansard.

I would be grateful if the record could be corrected.

Yours sincerely

Simon Atkinson  
Secretary
