Canberra ACT 2600

Dear Senator Grogan

I refer to the appearance of the Department of Infrastructure, Transport, Regional Development, Communications and the Arts before the Environment and Communications Legislation Committee at the Budget Estimates Hearing on Wednesday 23 November 2023.

In answering the question on the commencement of the next round of funding through the Four Year Investment for Organisations program, I stated that the program will open to applications next year. I write to advise that the Four Year Investment for Organisations program opened in September 2022 and will close on 14 February 2023.

Additionally, I indicated that the digitally projected exhibition, Connection, was currently showing at the National Museum of Australia. The exhibition has now finished.

I would appreciate it if you could please note this for the information of the Committee.

Yours sincerely

Dr Stephen Arnott
Deputy Secretary
