FROM THE OFFICE OF THE DIRECTOR-GENERAL

Ref NLA23/665

Senator Karen Grogan
Chair
Environment and Communications Legislation Committee
Parliament House
Canberra ACT 2600

Dear Senator Grogan,

Correction to evidence at the Budget Estimates Hearing on Thursday 25 May 2023

I refer to the appearance of the National Library of Australia before the Environment and Communications Legislation Committee at the Budget Estimates Hearing on Thursday 25 May 2023.

During the hearing I answered a question on the services that Trove provides. The response included the sentence: 'That means that we have more than 80 full text books and journals collected through that service.' I write to advise that I misspoke during the hearing. This sentence should have been: 'That means that we have more than 80,000 full text books and journals collected through that service.'

I would appreciate it if you could please note this for the information of the Committee.

Yours sincerely

Dr Marie-Louise Ayres FAHA
