

Senator the Hon David Fawcett  
Chair  
Senate Environment and Communications Legislation Committee  
Parliament House  
CANBERRA ACT 2600

Dear Senator Fawcett

On 21 October 2019 I appeared as a witness before the Senate Environment and Communications Legislation Committee Estimates Hearing.

During the hearing Senator Gallagher said in relation to Freedom of Information document sets yet to be uploaded to the Department's Disclosure Log (page 19 of the Hansard):

*"...Can you answer how many of those 120 document sets relate to the grasslands matter?"*

In response I said:

*"Yes, Senator; four."*

I wish to correct this answer. The answer should have been three. The fourth document set referred to was already on the disclosure log at the time of the Senate Estimates hearing.

I apologise for the error in my answer.

Yours sincerely
